

Names in Guilford Cemeteries

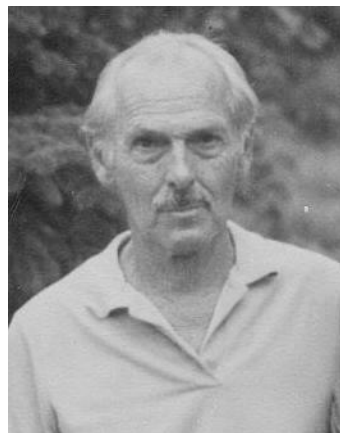

FRANCIS C. PRESCOTT

| 1982 |

“Names in Guilford Cemeteries” is a survey of inscriptions on grave-markers in Guilford, Maine. Completed in 1982, it was updated in 1988 and again in 1990. The ‘82-‘88 and ‘88-‘90 surveys are at the back, following the appendices. The appendices include a list of settlers born in the 18th century, the frequency of family names appearing more than ten times, male and female names, veterans and the wars they fought, and an enumeration of births and deaths.

Three manually typed volumes, totaling 240 pages, scanned and combined here into one searchable pdf. The manuscript is in the reference collection at the Guilford Memorial Library, 4 Library St., Guilford, Maine in three, three-ring binders.

NAMES
in
CEMETERIES IN GUILFORD, MAINE

The following list was completed in October, 1982. I had two motives for doing this list. First, I thought it facilitate genealogical research by indicating whether the name was there and, if there, which cemetery it was in.

My second motive was to pay respect to my many forebears who are buried in Guilford cemeteries.

In the Guilford Center cemetery are:

Samuel and Sally Brown, great-great-grandparents

Charles and Lucy (Brown) Prescott, great-grandparents

William and Sarah Ells, great-great-grandparents

Calvin Ells, great-grandfather

In the Elmwood cemetery are:

Laura (Ells) Corliss, great-grandmother

Charles V. and Vesta (Ells) Prescott, grandparents

Manson C. Prescott, father

Joyce (Prescott) Ireland, sister

E. LaForest (Lee) and Laura (Sanborn) Meservey, grand-parents

Millard Meservey, uncle

The lists in two volumes have been presented to the Guilford Memorial Library so that they will be accessible to the general public.

BITS AND PIECES OF GUILFORD HISTORY

TAKEN FROM THE MARKERS IN THE FOUR GUILFORD CEMETERIES

(AS OF OCTOBER, 1982)

There are four cemeteries in Guilford: Brawn (B), Elmwood (E), Guilford Center (GC) and Lawn (L). The largest is Elmwood, the smallest Brawn, the oldest Guilford Center, and the youngest Lawn. There had been another cemetery on the Dover road but this was transferred to Elmwood.

As of October, 1982, there were ²⁶¹²2599 markers in the four cemeteries. Some markers are illegible and many have been broken. 47 markers had no names or only initials. There are 1321³ males and 1231³ females, 90 more males. The oldest marker seems to be that of Rebecca Low (1811) in Guilford Center. The oldest person seems to be William O. Thomas at the age of 101. A full list of names is given in Appendix A.

The number of children who dies before the age of 21 is impressive. 403 died before the age of 21. Among these, 160 died at birth or before the age of 1, 102 between the ages of 1 and 5, 45 between the ages of 6 and 10, and 96 between the ages of 11 and 20

The oldest among the first settlers were: Abigail Gross (1760), Samuel Morgan (1764), Robert Herring (1764), Sarah Herring (1765), Mina Morgan (1768), Nathaniel Bennett (1768), Isaac Bennett (1770), Peter Brawn (1770), Sarah Bennett (1771), Sylvanus Soule (1771), and Joseph Edes (1772). A list of the Guilford settlers who were born in the 18th century is in Appendix B.

Families with the most names are as follows: Bennett (82), Edes (42), Stevens (42), Davis (39), Herring (37), Crockett (35), Morgan (35), Ellis (33), Hussey (33), and Smith (29). A list of families with over ten names is in Appendix C.

Among male names the ten most popular were: John (74), William (63), Charles (61), George (38), Frank (34), Fred (29), James (26), Henry (23), Thomas (23), and Harry (22). A full list of male names is in Appendix D.

The most popular female names were: Mary (69), Sarah (37), Elizabeth (20), Clara (18), Hannah (18), Bertha (16), Emma (15), Anna (14), Ella (14), and Nellie (14). A full list of female names is in Appendix E.

All wars have veteran representatives except for the Mexican War. Consider Glass and Nathaniel Stevens have been considered as veterans of the Revolutionary War but there is no stone marker for Nathaniel Stevens and the marker for Consider Glass is broken. Consider's wife, however, was born in 1778.

In the War of 1812 seven men were involved; in the Aroostook War one; in the Civil War 36; in the Spanish-American War 1; in World War I 35; in World War II 27; in the Korean War 6; and in the Vietnam War 3. A full list of war veterans is in Appendix F.

The number of births and deaths from 1760 to 1982 as indicated by the cemetery markers is in Appendix G.

White tabs indicate the alphabetical order of the list of names. Red tabs indicate Appendices A-G.

NAMES
IN
GUILFORD CEMETERIES
1988

The following list is a supplement to one compiled in Oct. 1982. The same abbreviations used in previous volumes apply except for d for daughter instead of dau. The list contains 120 additional names which increase the over-all total from 2554 to 2674.

Among the 120 new names are 58 males and 62 females bringing the over-all totals from 1323 males to 1381 and from 1232 females to ~~1293~~ 1293.

Regarding family names (see Appendix C, Vol. II), Bennett remains far ahead adding 2 for a total of 83. Edes moved from 45 to 46; Davis moved from 39 to 40; Littlefield moved from 23 to 25. Increasing by one were Chenery, Cole, Cousins, Garland, Jackson, Macomber, Maxfield, Page, and Rollins.

First names (see Appendices D and E, Vol. II) did not change much except for three Williams, three Johns, and one each for Frank, Harry, George, Clara and Mary.

Among war veterans (see Appendix F, Vol. II) were 15 from World War II, 3 from Korean War, 2 from Vietnam, and 3 unclear whether Korea or Vietnam. This would change the over-all totals for WWII from 27 to 42, for KW from 6 to 9, for VN from 3 to 5, and for unclear from 1 to 4.

Elmwood cemetery increased by 42; Lawn cemetery increased by 72 and Guilford Center cemetery increased by 5. Brawn cemetery has been closed.
